## Forgotten Cats' Tribute Pathway Buy a Brick Today!

**Forgotten Cats** is creating an tribute pathway that will lead to the front door of our recently renovated Trainer Clinic. Donors can remember a beloved pet that passed away, honor a current pet, or pay tribute to a family or friend.

We are so excited to unveil the first installment of **Forgotten Cats' Tribute Pathway**. Thank you to everyone that has purchased a brick so far. These bricks will serve as stepping stones that guides thousands of other cats to safety, warmth, and love. ***All funds raised through the Forgotten Cats Tribute Pathway Fundraiser, will be used to help homeless cats of Chester through TNVR.*** With the purchase of a brick, donors will pave the way to safety and security for homeless cats.

For years, Forgotten Cats has been helping homeless cats in Chester, PA. Sadly we have personally seen and heard of multiple cruelty cases against stray cats and kittens in Chester. These cats desperately need our help but we need funding in order to do so. We believe there to be around 2,500 homeless cats in Chester, PA.

It isn't too late to purchase a brick! **We will be continuing the brick sales through the Spring.** A memorial brick would make a wonderful gift or a way to show your love for Valentine's Day. There are two types of bricks available: \$100 for a 4"x8" brick and \$300 for an 8"x8" brick. Order your brick today at: <https://4everbricks.com/donors/FC/>

## Volunteer Spotlight

### An Interview with Jeanne Anders

#### When and how did you start volunteering for Forgotten Cats?

7 years ago I received an email from Forgotten Cats that they were in need of volunteers. This was the beginning of learning about rescue/shelter care.

#### What volunteer work have you done for FC?

I started with FC as a feed and clean volunteer; on to helping with care of orphaned kittens by fostering; became co-foster coordinator with Terry G when the position opened; all while fostering numerous litters of kittens; filled in as volunteer application processor while home on bed rest; fostering medically challenged/orphaned kittens, trapping cats in the parking lot, filling in as needed to help when we are short people for any job, and now volunteering doing medicals for foster cats and kittens with the Willow Grove branch of Forgotten Cats.

#### What is your favorite thing about working with FC?

Being able to see the change in the cats as they are rehabilitated from living on the streets to loving indoor pets in their forever homes.

#### What do you wish the public knew about animal rescue?

The hardest part of rescue is hearing , "someone needs to help"; I want the public to know that they can help by trapping, transporting, volunteering or fostering. One person giving a couple hours a week makes a huge difference to the outside cats.

It takes a lot of people to help even one cat. (Trappers, clinic volunteers, feed and clean volunteers, intake and discharge volunteers, veterinarians, vet technicians, pre surgery knockdown, prep volunteers, post surgery, and transporters) and with

those volunteers approximately 150 kittens and cats are TNVR rack week in just the Willow Grove FC Clinic, preventing unnecessary illnesses and slowing the overpopulation of outdoor cats.

**Other than volunteering, what do you like to do in your free time?**

I enjoy crocheting and teaching tricks to cats and dogs.

**And, if you want to share, how many pets do you have of your own?**

Household currently has 9 cats and 1 dog (although the dog thinks she is feline and we let her have her beliefs as she is a great foster mom to orphan newborn kittens)

**Here are Some Special Cats Ready for their Forever Homes!**

**Ariel & Thomas**

(FCID# 10/12/2010 - 166, 165 )

Seniors • M & F

Our family lost their home, then we lost our family!!! Please open your heart and home to bonded sister and brother Ariel and Thomas (FCID# 10/12/2010 - 166, 165). The sibs were adopted as 3 months-old kittens 10 years ago and were returned 12/27/2019. **Ariel** is a brown tabby with white paws/chest. **Thomas** is all tabby. They have beautiful coats and gorgeous green eyes.

One of our volunteers took them into her home to foster. She says, "Ariel finally came out of hiding, & I was able to get some pics. These two are the most gentle loving older cats. They would make perfect pets for anyone! Very mellow. Thomas is the vocal one who greets me with a big meow every morning. Ariel is the shy one but once you start petting her she melts in your hands."

Please submit a no-obligation adoption to meet this special pair: <https://forgottencats.org/adoption-application/>. Thank you! (Foster: Mary Lou S.)

## Tommie

(FCID# 03/26/2019 - 175)

Adult • M

Meet Tommie (FCID# 03/26/2019 - 175) is a snuggly hunk of love. A once homeless cat in Philadelphia, Tommie is so happy to be off the streets. Tommie is a lap cat and is very content to spend hours snuggling on your lap. He is especially fond of belly rubs. Tommie is very laid back and great with other cats. Tommie is a low key cat who just wants to be loved. He does dabble in play and would be happy to have a few toys in his forever home. Easy, loving, and cute, does it get any better than that? Tommie is around 6 years old and FIV+. Not to worry, he can live a long, healthy life and can safely and peacefully coexist with FIV negative cats!

Tommie is in a foster home in the Kennett Square, PA area. If you would like to meet him, please submit a no-obligation adoption and we will contact you for a meet and greet!
